Canadian Conference

Canadian Field Conference Report, July 29 – 31, 2005.

On the evening of Friday, July 29, 2005 we assembled for our annual Field Conference. Members and visitors gathered from all over Canada as well as the USA and Holland.

Our motto, “love one another” was taken from the book of John: “A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another.” John 13:34,35. We need to practice love and not just to speak the words. During the conference we heard many speeches on the subject of love; that we should think of our lives and how we live the principle of love personally.

On Sabbath there were 130 souls present to worship the Lord. On Sunday we were blessed as two souls made their covenant with God and joined His remnant church.

During the conference there were presented many beautiful songs to the praise of the Lord. There were also wonderful meals prepared by members of the various churches, accommodations provided by brethren and many unseen duties done. Each contribution made by God’s grace, contributed to make what many there present, commented, a truly blessed and special experience. **For more information and pictures: www.4truth.ca.** We hope to see you all at our next conference in 2006!

“I AM A KEEPER”, Canadian Field Youth Conference

Our youth conference motto was, “I am a keeper.” This, as you can see is also my title. I chose it because everything we did at this camp would revolve around this phrase. We all worked as a team and did all of the activities together. You certainly felt a bond of love for one another, and if you don’t have love for your fellow brother, you are not a “keeper.” Also, to God you are a keeper! You are extremely valuable to Him.

It was the first youth conference I was able to go to, along with a few more youth. It was such an enriching experience to all the youth that attended this trip. There is no doubt that it was the will of God to bring the youth of the local churches together to catch up on old memories, but to also make new ones.

We grew spiritually participating in 2 workshops each day through a variety of topics including love, fear, anger and spending time with God.

We dedicated spiritual time together to God, but we also got time to be with Him alone. Apart from this, we would take nature walks through the woods, seeing God’s creation around us. Every night, we all would get together around the fire. The beautiful stars were out, millions covered the sky.

Youth Conference

So here I come to the end of my report. I really encourage the youth that didn’t come this year to the youth conference to really think about coming next year. It truly is a blessed experience. You will find you grow spiritually, mentally and physically (as in working out). So, please make that effort, and to the youth that came, I know I will certainly see you next year! May God bless you and be with you. AMEN. **For more information, www.4truth.ca/youth** Veronica N. Garcia

Mississauga, Ontario

The church in Mississauga happily accepted Sis. Veronica into membership through baptism. Let us all pray that the Lord would bless and keep her in His loving care and that she would become a pillar in the church and a positive example for others. There are also other young people studying in a special baptismal class. Let us especially pray for these young souls that they would complete their studies and also make a commitment to God through baptism.

The Mississauga church is still without a permanent place of their own to worship in. Let us all pray that God would bless their fundraising efforts to establish a permanent light of truth in Mississauga. For details on current fundraising efforts and how you can help, please contact Br. Morris Lowe at 905-793-8044.

Vancouver, British Columbia

The brethren in Vancouver are planning missionary outreach meetings. Let us keep these efforts in our prayers that God would bless them as they work together for His cause.

Toronto, Ontario

In June and July we were happy to have Sis. Eunice Kim's mother Sis. Cheung and her niece Heyin from S. Korea visiting us. She spoke to many interested people in the Korean community and was able speak some words to us as well through translation.

July 3rd we had our Annual Picnic at Rockwood Conservation area. We had attendees from Mississauga, London and Toronto. We enjoyed fellowship, eating veggie dogs, swimming, playing on the beach, taking nature walks, canoeing, a game of soccer and catch with water balloons. All had a wonderful time!

On July 9th and July 16th, we made visits to 2 nursing homes to give them some cheer. The church attended in the afternoons and greeted our audience with small talks and lots of singing. this is part of an ongoing missionary outreach program to long term care facilities and welcome anyone who would like to join in this effort. If you are interested in participating, please contact Br. Mike Newby (905-281-1382, miken1@sympatico.ca) for the latest information and schedule.

Br. Joseph Park was accepted into the church and is a strong addition to the Toronto membership. We welcome him and wish him good health and God's rich blessings.

August 21st we had a church get-together at the Elora Gorge Conservation area in which 15 young people participated in tubing down the Grand River in the Gorge. Others who did not participate were able to enjoy the lovely nature and picnic together. Everyone enjoyed the sunny day out in the beautiful nature.

In September we welcomed our new Br. Eric Kim into membership. He made his commitment to the Lord through baptism at the Youth Conference in South Korea in August. May he be a blessing to all of the other youth in the church.
